

REPORT OF THE INLAND WETLANDS COMMISSION

CLIFF THIER, *Chairman*

The Inland Wetlands Commission, pursuant to General Statutes, regulates certain activities within areas in Avon designated as inland wetlands and watercourses. During FY 2008/2009, the Commission held 9 regular meetings at which 11 applications were reviewed. Conservation restrictions were required as a condition of approval on 3 applications, resulting in the permanent protection of 16 acres of wetlands and regulated areas. The Commission also concurred with 3 Staff Approvals authorized by the Appointed Wetlands Agent.

The applications reviewed by the Commission included:

- **Fairway Ridge, LLC** – Activities associated with road construction, installation of utilities, water quality basins, and house construction. (proposed 20-lot subdivision)
- **St. Ann Cemetery** – Activities associated with the expansion of the cemetery on Arch Road.
- **The Avon Water Company** – Activities associated with improvements to the water distribution system in the West Avon Road area.
